

Program for Capacity Building for organizations of civil society

Four day long program for Capacity Building for organizations of civil society will be implemented in Zrenjanin, from 2nd to 5th December 2013, as part of the project KnowHow2Act. The main goal of the program is to enhance knowledge and skills of representatives of civil society and to prepare them for active participation in creating and implementing environmental policies in Serbia.

Application process for participation has been opened since 7 until 22 November 2013. All costs of participation are covered. All details can be found on the web page of the project.

Project Know How 2 Act are implemented by European Movement in Serbia, Belgrade Open School, Center for development of civil society Protecta and UNECOOP with support of Royal Norwegian Embassy in Serbia within the program “Strengthening Civil Society“.

Additional information about the program can be found on web page www.znaskako.rs
